

COVER LETTER – PRANAB GANGULY (DIRECTOR/EDITOR IN BANGALORE)

Hello,

I am a creative media professional with nearly 8 years experience in television production, direction and advertising. Currently I am leading a production house in Bangalore, India in the capacity of the Head Producer. I have handled direction/production of television promos, news, non-fiction programming, online live editing, corporate films, documentaries, ad films, online films, animation films and interviews.

As a versatile media creative and a team lead, I am capable of shooting, directing and editing a project by myself. Besides, I also contribute to other aspects of production like visualization, scripting, post-production supervision, client coordination and budgeting.

Academically, I am a post-graduate in both Mass Communication and English Literature.

I will appreciate if you can go through my resume and work profile and provide me information on relevant job openings in your organization that suits my skill set and experience. I am open to relocation.

Hope I get the opportunity to discuss this further with you.

Warm Regards,

Pranab Ganguly
